## **MARK'S PIZZERIA HOSTS ANNUAL GOLF TOURNAMENT**

**Proceeds to benefit Unity Health, Lifetime Care, and Penfield High School**

**Victor, NY-** The 13<sup>th</sup> annual Mark's Pizzeria Golf Tournament was held August 21<sup>st</sup> in memory of Mark Crane's late brother, Jeff. Victor Hills Golf Club hosted the annual event which drew the support of over 200 local golfers.

For the first time, a portion of tournament proceeds will be donated to a scholarship fund set up in Jeff's name for qualifying Penfield High School students. The remaining proceeds will be donated to past recipients; St. Mary's Cancer Center of Unity Health and St. Mary's Hospice of Lifetime Care, two health care providers of Mark's late mother and father.

According to Bill Northwood of Lifetime Care, proceeds will aid the funding of a second Hospice care center. "Without the generous support of the Mark's Pizzeria family, achieving goals like building a new facility would be difficult," said Northwood.
